

Surgery Scheduling

If it is determined that you need surgery, we will do our best to work with you to find a date that is convenient for you. Please understand that all procedures must be approved by your insurance company.

If you are a patient that has been seen in the Medical Center, your surgery scheduling and pre-approval will be handled by Mellisa Rannals. Her phone number is 713-986-5594.

If you are a Sugar Land patient, your surgery will be handled by Cynthia Krutilek. Her phone number is 281-494-0550, option 9 then option 4.

Surgical Facilities: Dr. Lowe operates out of 3 different facilities. St. Lukes Hospital, Methodist Hospital, and the Kirby Surgical Center. Your insurance plan should allow you to utilize one if not all of these facilities.

Your date and facility can be chosen early. The time that you will need to arrive at the facility will be determined closer to the date as the procedures are put in order. You will then be contacted and informed as to when to arrive.
